

The HPLT Privacy Policy is applicable to all visitors to the web site: website www.hplt.org.

1. Management

The HPLT website www.hplt.org is managed by HPLT details of which can be found on the named web site.

2. Visitor data

2a Some visitor data resulting from one or more visits to www.hplt.nl are permanently stored, but anonymous. The data will therefore never be traceable to a person or organization.

2b www.hplt.org ensures that any data stored is protected in line with the data protection guidelines.

3. Cookies

3a HPLT uses functional cookies to optimize the functionality of certain pages of the website. Cookies are small text files placed on the visitor's computer when certain areas of the HPLT website are visited. A cookie stores information on the preferences of the visitor, resulting in the ability for HPLT to be of better and more relevant service to the visitor on subsequent visits to the web site.

3b The visitor can decide how to manage cookies. He or she can set his browser in such a way that it allows, does not allow or partially allows the use of functional cookies. In the latter case, you can set which websites are allowed to place functional cookies. All other websites will then be banned. This option is provided by most common modern browsers.

3c Cookies can always be removed from a computer, also via the browser.

3d HPLT also uses marketing cookies to make HPLT's communication, both on its own site and on its partner sites, more personal and better attuned to the wishes of the individual customer.

3e Analytics activates cookies for the discovery, interpretation, and communication of meaningful patterns in data from anonymous website visitors activity on the HPLT web site. Understanding these patterns enables the management of HPLT to improve and optimize the website for an even better visit experience.

4. Questions

Should visitors have any questions about the HPLT privacy policy, contact details are stated on the website mentioned in paragraph 1 of this Privacy Policy.

HPLT is entitled to change the content of the Privacy Policy without informing the visitor. Implementing the change on the website is sufficient for this.
